TOWN WARRANT.

STATE OF NEW HAMPSHIRE.

To the inhabitants of the town of Newport, qualified to vote in town affairs :

You are hereby notified to meet at the Town Hall in said Newport, on the second Tuesday of March next, at nine o'clock in the forenoon, to act upon the following subjects, namely :

Art. 1. To choose three Selectmen, a Town Clerk, and a Town Treasurer for the year ensuing.

Art. 2. To choose a Collector of Taxes and all other necessary town officers and agents or committees for the year ensuing.

Art. 3. To raise and appropriate such sums of money as may be necessary for the support of schools, for the payment of the town debt, and defraying the interest thereon, and for other necessary charges arising in said town, for the maintenance of the poor, for cemeteries, parks and commons, to improve the same, and for the maintenance of water works, and pass any vote relating thereto.

Art. 4. To see what sums of money the town will vote to raise and appropriate for laying out and repairing highways and sidewalks, and building and repairing bridges, and pass any vote relating thereto.

Art. 5. To hear the reports of the Town Treasurer, Board of Selectmen of the town, and the reports of the Auditors, Agents, Committees, or other officers heretofore chosen or appointed, and pass any vote relating thereto.

Art. 6. To see what sums of money the town will vote to raise and appropriate for lighting the streets of Newport village, and pass any vote relating thereto.

Art. 7. To see if the town will vote to appropriate the sum of one thousand dollars, or any part thereof, for the construction of sewers, and pass any vote relating thereto.

Art. 8. To see what sum or sums of money the town will vote to appropriate for the extension of the water works system in Newport, and pass any vote relating thereto.

Art. 9. To see what action the town will take in regard to the purchase of a stone crusher and road roller, and in regard to raising and appropriating money for the same, and pass any vote relating thereto.

Art. 10. To see if the town will vote to appropriate the sum of seventy-five dollars to defray the expenses of Memorial day exercises, and pay the same over to the quartermaster of Fred Smyth Post No. 10, Department of New Hampshire, G. A. R.

Art. 11. To see if the town will vote to exempt from taxation for a period of ten years certain proposed additions and enlargements to the plant of the Peerless Manufacturing Co. to be made during the year 1903, and pass any vote relating thereto.

Art. 12. To see what action the town will take in regard to renewing the lease to the Citizens National Bank of the rooms now occupied by them, and pass any vote relating thereto.

Art. 13. To take the sense of the qualified voters whether the alterations and amendments to the Constitution proposed at the Constitutional Convention shall be approved.

Art. 14. To see if the town will vote to give to the real estate recently purchased of Arthur D. Wilmarth in accordance with the vote of the town passed March 11, 1902, the name of "Wilmarth Park." Also to see if the town will appropriate money for the care and improvement of the same, and pass any vote relating thereto.

Art. 15. To see if the town will vote to appropriate money to enlarge and improve the stage in the town hall, and the scenery therefor, and pass any vote relating thereto.

Art. 16. To see if the town will vote to appropriate money for the purpose of making an exhibit from the town of Newport at the Louisiana Purchase Exposition to be held at St. Louis, Mo., during the year 1904.

Art. 17. To see if the town will vote to pay, or instruct the Selectmen to pay to Eugene B. Pike, former collector of taxes, his claim against said town for the amount of the unpaid taxes of Orison W. Page for the years 1896, 1897 and 1898, said amount having been advanced to the town by said Pike.

Art. 18. To transact any other business that may legally come before said meeting.

Given under our hands and seals at Newport this 21st day of February A. D. 1903.

Selectmen's Statement.

In addition to the foregoing financial report, a few brief statements by way of explanation may not be out of place. At the last annual town meeting it was voted,

"That the selectmen be instructed to purchase for the town a stone crushing plant for building stone roads if after investigation they deemed it advisable to do so, and satisfactory prices could be made;" and money was appropriated for that purpose if required. Early in the season the selectmen gave much time and thought to this subject and secured the advice of several men of large experience in this kind of work, and came to the conclusion that it was not advisable to purchase such machinery that season, for the reason that much preparation was needed and many plans must be formulated before the work can be commenced in a way to give satisfactory results.

We very soon discovered that before any work is commenced in this line it is essential that a survey of the streets proposed to be macadamized should be made and a working plan drawn up by an engineer conversant with this kind of work.

We were fortunate in securing for this work the services of Mr. Shepard B. Palmer, of Norwich, Conn., a professional engineer, who is thoroughly acquainted with the methods of building stone roads under the laws of the state of Conn. Mr. Palmer spent several days in making the survey of the entire length of Main street and several adjacent streets, and has furnished the town with three copies of a complete working plan for the improvement of the same. The items of cost for this plan can be found in the financial report. The work thus planned if carried out, we feel sure, will make our Main street (some portions of which we feel at times almost a disgrace to a progressive town like Newport) a street of utility and great beauty.

The intention was to do some preliminary work last fall, but the rainy season and scarcity of help prevented. That, with all the money expended on roads in Newport, we should be securing some permanent results needs no argument, yet great care should be exercised in the initial steps of this, to us, new enterprise, as mistakes will be expensive and will have a tendency to discourage and indefinitely defer a much needed improvement.

The work planned for Maple street cemetery was deferred for the reason that the season was so rainy that there seemed to be no time when the work could be successfully done. The plot of land on the east side of the cemetery and adjoining it, was purchased from Mr. Seth Barton at the price of \$375. This purchase was made at this time because it was evident that it would soon be beyond the reach of the town, if not secured; and the building of a contemplated bank wall on the east side of the original cemetery is thereby avoided, at a saving to the town of a large portion of the purchase price of the land. In any event, the selectmen considered it for the best interest of the town to secure this enlargement to this at present crowded cemetery.

The omission at the last annual meeting to raise the money for street lighting made the tax rate for 1902 unexpectedly low. While at first thought this low rate may seem gratifying, yet we feel sure that the good sense of the tax-payers will lead them to decide that it was a mistake, and that in these prosperous times that we enjoy we should pay for what we have, and apply other moneys that the town receives to the reduction of the town debt.

The increase in the appropriation for the expenses of the county will add materially to the amount of county tax for this town.

Respectfully submitted,

ROTHEUS ^{sr} E. BARTLETT,	} Selectmen of Newport.

Auditors' Report.

We, the undersigned, Auditors of the town of Newport, hereby certify that we have this day completed an examination of the accounts of the Board of Selectmen, Town Treasurer, Water and Sewer Commissioners, and find the same correctly cast and properly vouched.

We also certify that we have totally destroyed by burning, in the presence of the Selectmen, one five hundred dollar town of Newport 6 per cent. bond with one fifteen dollar coupon attached; also coupons from town of Newport bonds due prior to February 15, 1903, amounting to five thousand and twenty-three and fifty one hundredth dollars (\$5,023.50).

We also find due on the several bank books the amounts as stated upon the books of the Treasurer.

We also find that one town of Newport five hundred dollar 6 per cent. bond, No. 375 and three unpaid interest coupons of the same, has been paid by the Selectmen, by their order on the Treasurer No. 20, amounting with interest to \$555.00, and we also find that a bond of indemnity is on file with the Selectmen, indemnifying the town against loss, as directed by a vote of the town at the March meeting in 1902.

Report of the Board of Health.

TO THE CITIZENS OF NEWPORT:

The general health of the town during the past year has been fairly good. A single case of small pox early in the year was prevented from spreading by prompt measures of isolation, disinfection and vaccination.

Typhoid fever has been much less prevalent than usual this year, possibly owing to improved sanitary conditions brought about by sewer construction, but more likely by peculiar meteorological conditions, for the sewer system is hardly far enough advanced to have induced so great a change.

This Board earnestly advocates a prompt and liberal policy in the completion of our sewer system, believing that the town will be repaid both in money and lives.

This Board also requests the citizens of Newport to connect their sink drains and privies with the sewer as soon as the latter reaches their residence. Under the statutes of the state no unconnected sink drain or privy can be maintained if there is a public sewer within one hundred feet, and the enforcement of this law is entrusted to the Board of Health.

appropriate for the purpose of properly heating the Central school
building, so called, and the three Primary school buildings in the
village, and pass any vote relating thereto.

Art. 8. To see if the district will vote to erect a school house suit-
able for the accommodation of the lower grades of the schools in the
village of Newport, and raise and appropriate money for the same and
pass any vote relating thereto.

Art. 9. To see what sums of money the district will vote to raise
and appropriate for building and repairing such school houses and
outbuildings as the wants of the district require, and providing suitable
furniture and apparatus and needful conveniences therefor, and pay
for insuring the property of the district from loss by fire, and pass any
vote relating thereto.

Art. 10. To transact any other business that may legally come
before said meeting.

Given under our hands at Newport this 27th day of Feb.,

A. D. 1903.

Report of School Board.

To the inhabitants of the Newport town school district :

In making their annual report, the school board would remind you that the tables are made up for the school year from Aug. 1, 1901, to Aug. 1, 1902, while the financial report is to the close of the financial year Feb. 15, 1903.

We take pleasure in reporting that the schools during the year just passed have been prosperous, and that our teachers have all given faithful service and in most instances have met with good success.

The repairs and changes for school buildings and furnishings for the same have called for the expenditure of a large sum of money, but there seemed to be no way to avoid it.

The rooms in the upper story of the Central building have been refitted and refurnished for the accommodation of the 3d, and 4th grades at a cost of \$300. The school houses at North Newport and Reed's have been resingled with cedar shingles, costing \$64.75, and the school room at Kelleyville entirely sheathed, costing \$22.60, besides many minor repairs in several of the buildings belonging to the district.

During the coming year the school house at Guild should be painted and repaired, and the one at North Newport should be painted and the play room sheathed; besides many other small repairs in several buildings.

The primary school buildings in the village have served their day and are no longer a credit to a town like Newport. If they are to remain, some better method of warming them should be provided. In whatever other ways we may choose to be extravagant we cannot afford to jeopardize the health of the children in our schools, by keeping them in unsanitary school rooms, improperly warmed and ventilated.

Your attention is called to this matter by an article in the warrant for the annual meeting, and we ask your careful consideration of the same.

The efficiency of our schools is greatly impaired by the irregular attendance of the pupils especially in the outlying divisions. For instance, in one school without any apparent good reason the average daily attendance for the last term has been only 51 per cent. of the membership of the school, while in another school evidently no better situated, the average daily attendance for the same term has been 94 per cent. of the membership. A little interest and care on the part of some parents would remedy in a good measure this evil.

By vote of district the West primary school house was sold at auction to the highest bidder.

Respectfully snbmitted,

ROTHEUS E. BARTLETT,	} School Board of Newport.
